Each recital class will have a recital costume that costs \$100 +HST. This is due December 1st 2023 and costumes will be ready for pick up in Spring 2024.

What other costs should I factor in?

Families should factor in the cost of dancewear (shoes, bodysuit, tights etc) as well as the cost of recital tickets for your family to come watch the year end show.

When are the tuition fees due?

Time of registration: installment #1

November 1st: Installment #2

January 1st: Installment #3

March 1st: Installment #4

May 1st: Final installment

Can I be in the class with my child or watch the class while it takes place?

Dance classes are for students only and we kindly ask that parents remain in the lobby or return at pick up time. We do have a CCTV in the lobby where you can view what is going on in all the dance rooms. We believe parents viewing the class constantly or being inside the dance space creates unnecessary distractions and does not allow for independence to grow, which is a key element of the dance experience.
